Fare Calculation and Fare Endorsement in OrderViewRS

Description

This returns the Fare Calculation (FC) and Fare Endorsement (FE) elements in the OrderView response. These elements are displayed just as in the PNR. They contain pricing details (FC) and information about baggage allowance, refundability and exchangeability (FE).

Process

- The information is integrated into the reply of OrderCreate, OrderChange and OrderRetrieve.
- Fare Calculation and Fare Endorsement elements are returned in:
OrderViewRS/Order/OrderItem/FareDetail/Remarks/Remark
