Seller upfront commission

Description

Finnair can now apply seller remuneration (commission) rules to our NDC partners. Partners in markets where this is relevant may contact Finnair at ndc@finnair.com to define the remuneration rules to be applied.

In scope

- Public fares only.
- Prime booking flow only.
- Same commission applies to all passengers.
- Commission configured as percentage.
- **Commission percentage is returned in the responses of OfferPriceRQ & OrderCreateRQ.**
- Commission value that applies is the one defined at OrderCreateRQ – no new computation will be done when modifying an unpaid Order.
- Available from NDC API version 21.3.
