

Enhanced re-shopping of unpaid Orders

Description

Seller can use different pricing criteria when servicing an unpaid Order to get new offers with more accurate prices.

In scope

- Version 21.3 only.
- Unpaid Orders only.
- The following pricing criteria:
 - o Currency override
 - o Corporate code
 - o Promocode
 - o Frequent flyer
 - o CLID

Process

- OrderRetrieveRQ on the unpaid Order.
- OrderReshopRQ: modify route/date/cabin and optionally specify one or more of the pricing criteria.
- OrderQuoteRQ: reprice the Offer and optionally specify one or more of the pricing criteria.
- OrderChangeRQ: confirm modified Order.
